Hi team, Hope requested that we cc her and Monisha when the memo goes to Seniors tomorrow. I asked about OGC and she's going to get back to us.

Hey Hope, the authors and Mark are completing reviews now (Rebecca and Sergio have reviewed, I'm incorporating edits). Rebecca will send to the Seniors (TJ and Jonathan) by noon tomorrow (before she leaves for the day). We are wondering if we should also send to OGC? We couldn't remember what the final call was on that.

Mark, I was about the email you to ask if you have had a chance to review, and if you think we need to talk this afternoon before I leave today? (I'm compressed tomorrow, but I'm also just going to be at home tomorrow and can sign on to help get this wrapped if needed.)

Hey Lindsey/Mark-

Can you send me an update on the status of the memo, remaining issues, etc.

Thanks!
